**PLEASE NOTE:** The electronic bidet seat is designed to be installed on a toilet bowl in place of a conventional seat. Our bidet seats will not fit precisely to all toilets please measure your toilet as indicated in the confirmation chart below to confirm which seat shape will be most suited to your toilet. The surface of the toilet should be flat without reliefs or raised ridges.

The seat requires a potable water supply of between 0.07 Mpa (0.7 bar) and 0.74 Mpa (7.4 bar) pressure. A fully compliant power source (in U.K. to BS7671) within 1.5 m of centre line of the toilet (230V 50Hz 1.7Kw max)

### Seat Shape and Size

### Toilet Bowl Measurements to Confirm

A	430 ~ 475mm	430 ~ 470mm	455 ~ 490mm
B	Over 40mm	Over 40mm	Over 40mm
C	130 ~ 180mm	140 ~ 240mm	140 ~ 220mm
D	Minimum 315mm	Minimum 315mm	Minimum 350mm
