

Wall hung pan SFR

Option A | Opzione A

-  Electrical outlet / Presa elettrica
-  Cold water connection / Attacco idrico

* To be installed only on M12 bars | Installazione solo su barre M12

Recommended connections for USPA electronic bidets

Warning: the drawings show the WC from the left side.

The electrical outlet can be equally placed on both sides, while the cold water connection, from the side view to the product, should be placed on the left side of the toilet bowl.

The connection to the cold water outlet by a...
